How to Use this Document

- The gallery space is located on the first floor of 90 King Street, Perth. The door entrance is located between 'La Veen Coffee' and 'Old Faithful Bar & BBQ'.
- A beautiful old Jarrah staircase leads up to the gallery, which features high ceilings, Timber floors and views onto King Street below.
- The gallery has 5 rooms with different hanging options, including the Foyer Entrance, Main Gallery, Side Gallery, Terrace Gallery and Vintage Gallery.
- The available wall space within each room has been divided into different options for hanging.
- To select a wall space, simply nominate which space you would like on your Entry Form. For example, if you would like your artwork to be hung in the Main Gallery next to the windows that look onto King Street, then complete the 'Wall Space Preference' on the Entry Form with 'Main Gallery 1, 2, 3 or 4'.
- The wall space options are the total space of wall available, i.e. between doors-windows or windows-windows etc. Therefore, ensure you allow a wall buffer around your artwork.
- You may hang multiple artworks within your chosen wall space in any orientation (i.e. vertical or horizontal).
- Wall spaces will be allocated on a first come first serve basis. This document will be kept live as wall spaces are allocated to artists.
